Its flagship applications suite, Opera II, caters for a broad range of business requirements from accounting, supply-chain, manufacturing and construction industries, business intelligence and payroll/HR.

At the award presentation in Newcastle Peter Joynson, TSG's Regional Managing Director for the North East, accepted a plaque from Pegasus' Managing Director, Gary Turner, in recognition of TSG's contribution to a 50% revenue growth from the Opera II suite in 2004.

'We're delighted with this award' said Peter Joynson. 'All our technical, sales and support staff have given total commitment to supporting Pegasus Software with our customers, and it's a mark of recognition for all the team that our dedication to customer care has helped us to achieve the Partner of the Year title.'

Gary Turner said: 'TSG has been incredibly successful with Pegasus over the past year, and I have no doubt that their success will continue. Their longstanding commitment and focus is reflected in the satisfaction of their Pegasus client base, and we are delighted that they achieved Pegasus Partner of the Year for 2004.'
