

**Name:** Doig+Smith

**Profile:** Founded in 1936, Doig+Smith is one of the longest established surveying firms in the UK. Renowned as one of the UK's leading providers of Project Management, Building Surveying and Cost Management.

**Challenge:** Doig+Smith needed to appoint an IT service provider with the ability to provide nationwide support and help to drive the fast-paced growth of its business.

**Solution:** As part of a managed service TSG implemented a comprehensive IT platform & user support model designed to grow with the business and its changing needs. The implementation project was completed without impacting on the day to day running of the business.

## TSG REAL SUCCESS: DOIG+SMITH

### Tailoring IT services to support business growth and national coverage

"I placed the same amount of trust in TSG as our clients do in us, and this was proven to be the right philosophy. I was proactively kept informed of every single part of the implementation." - Lesley-jean Shaw, Business Manager
